

We are a community of our own...

Shaping our lives for the future.

Improving the land of our forefathers.

For ourselves... and for the generations that follow

Working separately...and together,

To make tomorrow a little easier than today

Fighting our own battles,

As our ancestors did before us...

To be independent - to govern ourselves.

Learning about each other -

The way we have been...are...and will be in the future.

Ladies and Gentlemen of the Graduation Class, 1976

When you first entered Susquehanna University as freshmen four years ago, you were called the Bicentennial Class. The years have sped swiftly by and as you depart these halls much has been said during your stay here about the two hundredth anniversary of our nation's history. We have created a special logo; we fly a special flag; and much emphasis has been laid upon the heroisms, sacrifices and devotion of our forebears.

Yet during these past two centuries our nation has changed — changed drastically. The society into which you are moving is divided, confused, fearful, and looking desperately for a solution to its problems. As graduates of a Liberal Arts college the responsibility of maintaining our democratic way of life will rest largely with you. Can you rise to the challenge?

Edmund Burke said many years ago, "Men are qualified for civil liberty in exact proportion to their disposition to put chains around their own appetites; in proportion as their love of justice is above their rapacity; in proportion as their soundness and sobriety of understanding is above their vanity and presumption; in proportion as they are more disposed to listen to the counsels of the wise and good, in preference to the flattery of knaves. Society cannot exist unless a controlling power upon the will and appetite is placed somewhere; and the less of it there is within, the more there must be of it without. It is ordained in the eternal constitution of things, that men of intemperate habits cannot be free. Their passions forge their fetters."

If democracy is precious to you, ponder these words during the years ahead.

A DREAM, A HOPE, A THOUGHT

Dreams of an undefeated season were forgotten after an opening game defeat. Hopes for an MAC Title were lost with the first two conference setbacks. After winning the last three games of the season, all that remained was a thought of what could have been and a dream for next year.

Coach Potter rejoined the squad after a year's sabbatical leave only to find an injury plagued team including co-captains Kreger and Schrader. The offense was sparked with outstanding play by Bruce Fehn, Brian Jadney, and Tom Cook overshadowing the crippled defense. The team played hard and well only to end the season with a frustrating 5-5-1 record.

Through hard work, energy, and determination, the women's field hockey team ended their season with a 3-4-2 record. The team, co-captained by Carol Murray and Wanda Neuhaus, had a slow start but made a strong come back. For the past two years the team has been in the rebuilding stage. With eight out of eleven varsity members returning, there is much hope for a winning season next year. Special commendations go to one senior, Leslie Beers, and three underclassmen: Jo Kinkel, Sue Booth, and Chris Evans, who were selected by the Susquehanna Field Hockey Association, and played on Susquehanna teams 1 and 2 at the Mideast tournament. The junior varsity team, co-captained by Jean Davis and Kathy Lehman, had a record of 4-4-1.

Although their record was not as impressive as in past years, many a stellar performance was recorded by the Crusader Basketball Team this season. Among the highlights was a 100-78 win against the Green Terrors of Western Maryland. Co-captains Dave Long and John Neuhauser along with Mike Feeney and Mike Scheib helped keep the team together and on its feet. A much improved Bob Hertzog also gave a spark to the team when it was needed. Many up and coming underclassmen proved their worth and gave much hope for the future.

With impressive victories against Johns Hopkins and Albright in the early part of the season, the Crusader Wrestling Squad looked like the team to beat. Co-captains Paul Burns and Bill Finch added depth and experience to the team, as did Rich Booser, Jim Flanagan, and Ken Laureys. Bill Gustitus, at unlimited, had the best record on the team. More participation was necessary to overcome the loss of points due to forfeits.

Facing deadlines ... organizing memories, trying to assemble the history of a year. The Lanthorn staff – striving, through hard work, to make this Bicentennial year special for the Class of 1976.

OUR HERITAGE

is rich with meaning and an uncompromising spirit of independence. In this year of celebration, the founding principles of the nation are present to structure our future. It is a time to reconfirm our ideals — a time for an earnest evaluation of ourselves and our relationships with others. Hopefully, today, we can experience the same feelings that the Declaration signers incorporated into our history:

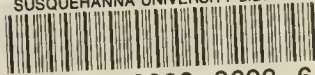

"We mutually pledge to each other our lives,
our Fortunes, and our Sacred Honor."

Much gratitude and appreciation is expressed to the staff for its concentrated efforts, given in cooperation and dedication. Personal recognition for their special contributions and talents are given to Marti Miller, art; Debby Pruitt, creative writing; and Mr. Putsee Vannucci, photography. And, for constant understanding, patience, and assistance, Mr. George R. F. Tamke, and Mr. Michael Gilroy receive our sincere thanks and lasting respect.
